

This is Sam

- (1) This is Sam. Sam is an alien. He is green.
Sam has never seen a human being, like you or me. He only knows aliens.
- (2) Sam lives on a planet. The name of the planet is Mercutor. Everything on Mercutor is brown and green.
Mercutor is very far away. Nobody from our planet, the earth, has ever been there.
- (3) Sam has a brother and a sister. His sister's name is Lizzy. His brother's name is Gary. Gary and Lizzy are green, too.
Gary and Lizzy are younger than Sam. But they aren't babies. They are just a little bit younger.
- (4) Sam lives with his family and his grandparents. The parents and grandparents are darker green than the children.
They all live together in a big house. So Sam's family has their own rooms and the grandparents have their own rooms, too.
- (5) Sam's family lives on a farm. Their farm is orange.
It is a big farm and there aren't any houses around.
- (6) Sam's family has farm animals. They have peeps. The peeps have pink faces and a white coat.
They eat grass and fruit. The peeps have wonderful wool to make clothes for the family.
- (7) They have hoats. Hoats can be brown, white or black.
They can run very fast. A hoat gives milk. Sam's family loves to drink hoat's milk.
- (8) Sam's family also has cokens. Cokens are dark brown, light brown, or white. Their eyes are yellow.
Cokens lay big eggs. One egg lasts for one family. Cokens eat grass, corn, and grain.
